PROJECT DETAILS

Manufacturer / formulator: .....

Date for samples / bulk: .....

Target launch date: .....

FULL INGREDIENT LIST (INCI)

Aqua, Cocamidopropyl Betaine, Sodium Lauroyl Sarcosinate, Sodium Chloride, Citric Acid, Sodium Benzoate, Panthenyl Hydroxypropyl Steardimonium Chloride, PEG-150 Pentaerythrityl Tetrastearate, Parfum, Potassium Sorbate, PPG-2 Hydroxyethyl Cocamide, Panthenol, Sodium Citrate, Phragmites Communis Extract, Poria Cocos Extract.

A Formula & raw material documentation

- [ ] **Full formula in % w/w with INCI and function per ingredient**
  Quantitative composition – basis for the exposure calculation.
  Ref./comment: .....
- [ ] **CoA (Certificate of Analysis) for each raw material**
  Ref./comment: .....
- [ ] **SDS/MSDS for each raw material**
  Ref./comment: .....
- [ ] **Fragrance: IFRA certificate + full allergen list**
  Incl. allergens to be declared (rinse-off ≥ 0.01%) per the 2023 Omnibus.
  Ref./comment: .....
- [ ] **Statement on any nanomaterials (yes/no)**
  Ref./comment: .....
- [ ] **Confirmation that no prohibited/CMR substances are used (Annex II–VI)**
  Ref./comment: .....

B Testing (performed by an accredited lab)

- [ ] **Stability test – accelerated + real-time**
  Sets shelf life/PAO. ISO/TR 18811 as guidance.
  Ref./comment: .....
- [ ] **Compatibility test – formula against primary packaging**
  White bottle + transparent flip-top. Mandatory, no exceptions.
  Ref./comment: .....
- [ ] **Challenge test / preservative efficacy (PET, ISO 11930)**
  Required for water-based rinse-off products.
  Ref./comment: .....
- [ ] **Microbiological quality – initial microbial count**
  Ref./comment: .....

pH value

.....

Viscosity

.....

C Manufacturing & packaging

- [ ] **Manufacturing method (process description)**
  Ref./comment: .....
- [ ] **GMP certificate per ISO 22716 (from the manufacturer)**
  Ref./comment: .....
- [ ] **Packaging specification (materials)**
  Ref./comment: .....

Manufacturer

.....

Batch / lot numbering system

.....

D Labelling & claims

- [ ] **Label / artwork (proof)**
  Ref./comment: .....
- [ ] **INCI list on the label**
  Ref./comment: .....
- [ ] **Shelf life / PAO symbol**
  Ref./comment: .....
- [ ] **Responsible person name + address (Cafrelin AB)**
  Ref./comment: .....
- [ ] **Warnings & directions for use in the market language**
  Swedish is required for sale on the Swedish market (LVFS 2013:10).
  Ref./comment: .....
- [ ] **Net quantity + batch**
  Ref./comment: .....
- [ ] **Evidence for all claims (claim support, Regulation 655/2013)**
  Ref./comment: .....

E To be completed by Skin Consult

Additional documentation still required
